

Transformation, Diversity & Inclusivity Committee

The Parent-Led Transformation, Diversity and Inclusivity Committee consists of parents with a passion for promoting that the core principles of an inclusive community is evident in all educational, co-curricular and social activities within the school. We aim to help parents, staff and learners benefit from a community that seeks to meet the needs of all its members. We act as an advisory committee to the school and engage constructively with staff, management and parents around matters of diversity and inclusivity. Our members are co-opted onto other working committees in order to create an awareness of the diversity in our community, fostering the spirit of inclusion.
